1. Education and Examination Regulations – Master in Psychology 2017-2018

Section 1 General Conditions

Education and Examination Regulations for the 2017/2018 academic year for the Master's study programme at the Faculty of Psychology and Neuroscience, as meant in article 7.13 of the Act on Higher Education and Scientific Research (WHW).

Article 1.1 Scope of the Regulations

These regulations apply to the education, exams and examination for the full-time Master's study programme in Psychology, hereinafter referred to as the study programme. The study programme is offered by the Faculty of Psychology and Neuroscience, hereinafter referred to as the Faculty.

The regulations have been established by the Faculty Board, following a recommendation from the Study Programme Committee and after consent was obtained from or after consultation with the Faculty Council. These regulations will take effect on 1 September 2017 for the 2017/2018 academic year.

These regulations also apply to students from other programmes, faculties or institutions of higher education, insofar as they follow components of the programme to which these Education and Examination Regulations apply.

Article 1.2 Definitions

In these regulations the following is understood to be:

- a. The Act: the Higher Education and Scientific Research Act (Wet op het Hoger Onderwijs en Wetenschappelijk Onderzoek, WHW);
- b. Student: he/she who is registered at Maastricht University, for the purpose of attending the courses and/or taking the exams and the examination of the study programme;
- c. Academic year: the period from 1 September of a calendar year up to and including 31 August of the following calendar year;
- d. Programme: the master's study programme as meant by article 1.1, consisting of a connected unit of programme components;
- e. Course/Module: a study unit of the study programme as meant by the Act, including a Practical Training;
- f. Tutorial Group Meeting: a practical exercise, as meant by article 7.13, paragraph 2, sub d of the Act;
- g. Practical Training: a module that provides practical exercise, as meant by Article 7.13, paragraph 2, sub d of the Act;

- h. Exam: the exam as part of the examination as meant by article 7.10 of the Act;
- i. Examination: the final examination for the master's study programme;
- j. Credit: unit expressed in ECTS credits, with one study credit equalling 28 hours of study;
- k. Board of Examiners: the board as meant by article 7.12 of the Act;
- l. Examiner: the person appointed by the Board of Examiners (Article 7.12C of the Act), charged with administering exams and determining the results of such exams;
- m. Course Coordinator, alternatively Practical Training Coordinator: an examiner who is responsible for the content of a certain course, or alternatively, responsible for the practical training in a certain course;
- n. Faculty Board: the Executive Board of the Faculty of Psychology and Neuroscience of Maastricht University as meant by article 9.12 of the Act;
- o. Board of Admission: the board responsible for judging the admissibility of the candidate to the programme;
- p. Programme Committee: the representation and advisory board that carries out the duties described in Article 9.18 and 9.38c of the Act;
- q. UM: Maastricht University.

Other notations are to be understood in accordance with the meaning assigned to them by the Act.

Section 2 Admission

Article 2.1 Admission

Persons who meet the requirements referred to in article 2.2 are eligible for admission to the programme.

Article 2.2 Admission requirements

1. The following persons are eligible for admission to the Master's programme:
 - a. those who have obtained a Bachelor's degree in Psychology. Those who have an academic bachelor's degree other than Psychology can only apply if the Bachelor's degree is substantially relevant to the Master's specialisation of their choice.
 - b. statistics is a key issue in the Master's programme of Psychology and good knowledge of statistics is essential. Applicants must fill in the form 'Statistical Background' and provide details regarding the relevant courses, and the number of (ECTS) credits obtained per relevant course.
2. Persons who have obtained the Bachelor of Science in Psychology of Maastricht University (= the preceding Bachelor's Degree) are automatically admissible to the Master's programme.

Article 2.3 Language requirement with non-Dutch diplomas

Persons with a non-Dutch diploma may only register:

- a. if they have met the requirement concerning a sufficient command of English by passing one of the following language proficiency tests before the programme begins:
 - IELTS (International English Language Testing System): minimum score 6.5.
 - TOEFL (Test of English as a foreign Language): minimum score 575 paper-based, 233 computer-based, or 90 internet-based.
 - A Cambridge certificate: CPE (Certificate of Proficiency in English) with grade A, B or C or CAE (Certificate in Advanced English) with grade A, B or C+.
 - Other recognised proof of English proficiency approved by the Board of Admission.
- b. if they have been exempted from the language proficiency test referred to in **appendix 1** in the Rules and Regulations.

Article 2.4 Board of Admission

1. Judgement about admissibility and the issuing of the certificate of admission for the study programme is assigned to the Board of Admission of the study programme. This board consists of:
 - A chair appointed from among the academic personnel;
 - One or two members appointed from among the academic personnel who are in charge of the education in the study programme.
2. One of the members of the Board of Admission will also be a member of the Board of Examiners.
3. The appointment is made by the Dean after consulting with the Study Programme Committee.

Article 2.5 Times of Review for Admission

1. The review for admission takes place 3 times a year.
2. A request for admission to a study programme must be submitted to the Board of Admission before:
 - 15 January 2015: Application deadline for non EU-students who intend to apply for a Maastricht University Scholarship;
 - 1 April 2015: Application deadline for non- EU students;
 - 1 June 2015: Application deadline for EU-students and Maastricht University students (including FPN students).
3. The Board of Admission decides on the request within 6 weeks after receipt of the complete application. Please note that the decision on the request of subsequent students (article 2.2 sub 2) will be made within 4 weeks after the graduation date for the bachelor examination has been established (but always before the start of the study programme).
4. Admission will be granted on condition that the candidate complies with the requirements regarding knowledge, understanding and skills, as stipulated in Article 2.2, and as evidenced by the certificates of the study programme(s) the student has followed, at the latest by the starting date of the relevant study programme.

Section 3 Content and Structure of the Study Programme

Article 3.1 Purpose of the Study Programme

1. The purpose of the study programme is the following:
 - to provide academic education within the context of the Maastricht University educational concept and its distinct profile;
 - to deepen a student's specific choice for a particular field of study related to the Master's specialisation;
 - to provide for the acquisition of specialised knowledge, skills and insight in the field of psychology, specifically in the fields of Cognitive or Biological Psychology;
 - to help students prepare for a possible further programme of study in scientific research and, if applicable, clinical practice.

In combination with the bachelor's degree in Psychology, the study programme must see to the preparation for a career in the field of Cognitive or Biological Psychology.
2. There are sufficient elements in the study programme to enhance the further development of the academic formation of the student, in particular with regard to:
 - thinking and acting independently and scientifically;
 - communicating scientifically in English;
 - applying specialised scientific knowledge in a broader social context.
3. Areas of Specialisation in the Master's Study Programme:
 - a. Applied Cognitive Psychology:
 - Health and Social Psychology
 - Psychology and Law
 - Work & Organisational Psychology
 - b. Biological Psychology:
 - Developmental Psychology
 - Neuropsychology
 - Cognitive Neuroscience

Article 3.2 Organisation of the Study Programme

The study programme is offered on a full-time basis. The programme commences once a year in September.

Article 3.3 Language of Instruction

The education and assessment in the Master's study programme are conducted in English.

Article 3.4 Communication and Announcement of Decisions

1. The Faculty Board, the Board of Examiners and the examiners may use electronic communication devices like the student portal, e-mail via UM-account or AskPsy.nl for communications relating to the programme and exams.

2. The Faculty Board, the Board of Examiners and the examiners are allowed to use the student portal, e-mail via UM-account or AskPsy.nl to announce decisions.
3. The student must regularly check his/her university e-mail address and AskPsy.nl. Information disseminated via e-mail, the digital learning environment or the website will be assumed to be known.

Article 3.5 Study Load

The study programme has a study load of 60 ECTS credits, with one credit equalling 28 hours of study load.

Article 3.6 Composition of the Curriculum

Overview of the Cognitive Master's specialisations

| Period | Specialisation Health and Social Psychology | |
|----------|---|--|
| Period 0 | Introduction week Problem-Based Learning (training for non-UM Students*) (- credits) | |
| Period 1 | Self-Regulation (5 credits) <i>Practical training:</i> Increasing Self-regulation through Practice (- credits) | Bad Habits (5 credits) <i>Practical training:</i> Cognitive Paradigms in Health Psychology (- credits) |
| Period 2 | Planning Behaviour Change Programmes (5 credits) <i>Practical training:</i> Applying Theories in Intervention Development (- credits) | Manipulation (5 credits) <i>Practical training:</i> Manipulation Strategies (- credits) |
| Period 3 | Academic Skills & Research proposal (5 credits) | |
| 28 weeks | Research Internship (25 credits)** and Master's Thesis (10 credits) (total 35 credits) | |

| Period | Specialisation Psychology and Law | | |
|-----------|---|---|--|
| Period 0 | Introduction week Problem-Based Learning (training for non-UM Students*) (- credits) | | |
| Period 1 | Interrogation & Interviewing Strategies (4 credits) | Eyewitnesses and Victims (4 credits) | <i>Practical training:</i> Psychology and Law in Action (4 credits) |
| Period 2a | Forensic Neuropsychology (2 credits) | Experts and Their Decisions (4 credits) | |
| Period 2b | Public Policy in Legal Psychology (2 credits) | | |
| Period 3 | Academic Skills & Research proposal (5 credits) | | |
| 28 weeks | Research Internship (25 credits)** and Master's Thesis (10 credits) (total 35 credits) | | |

| Period | Specialisation Work and Organisational Psychology | |
|----------|---|--|
| Period 0 | Introduction week Problem-Based Learning (training for non-UM Students*) (- credits) | |
| Period 1 | Work Psychology (5 credits) <i>Practical training:</i> Occupational Health Audit (- credits) | Human Resources (5 credits) <i>Practical training:</i> What is it like to be a Work and Organisational Psychologist? (- credits) |
| Period 2 | Organisation and Cognition (5 credits) <i>Practical training:</i> Conflict Management (- credits) | Human Performance (5 credits) <i>Practical training:</i> Data Analyses (- credits) |
| 28 weeks | Research Methods for Work and Organisational Psychologists (- credits) Research Proposal (5 credits), Research Internship (17 credits)** and Master's Thesis (8 credits) (total 30 credits) AND Professional Skills (8 credits) and Activity Report (2 credits) (total 10 credits) | |

Overview of the Biological Master's specialisations

| Period | Specialisation Developmental Psychology | | |
|----------|---|---|--|
| Period 0 | Introduction Week Problem-Based Learning (training for non-UM students*) (-credits) | | |
| Period 1 | Infancy (4 credits) | Perception, Attention and Motor Development (4 credits) | <i>Practical trainings:</i> Measuring Attention and Executive Functions in Behavioural Paradigms (2 credits) OR EEG and ERP (2 credits) |
| Period 2 | Development of Cognition and Language (4 credits) | Social Emotional Development (4 credits) | <i>Practical training:</i> Psychological Test (2 credits) |
| Period 3 | Academic Skills & Research proposal (5 credits) | | |
| 28 weeks | Research Internship (25 credits) ** and Master's Thesis (10 credits) (total 35 credits) | | |

| Period | Specialisation Cognitive Neuroscience | | |
|----------|--|--------------------------------------|---|
| Period 0 | Introduction week Problem-Based Learning (training for non-UM students*) (-credits) | | |
| Period 1 | Auditory and Higher Order Language Processing (4 credits) | Perception and Attention (4 credits) | <i>Practical training:</i> EEG and ERP (2 credits) |
| Period 2 | Neuroimaging: Functional MRI (4 credits) | Sensorimotor Processing (4 credits) | <i>Practical training:</i> fMRI (2 credits) |
| Period 3 | Academic Skills & Research proposal (5 credits) | | |
| 28 weeks | Research Internship (25 credits)** and Master's Thesis (10 credits) (total 35 credits) | | |

| Period | Specialisation Neuropsychology | | |
|----------|---|-----------------------------------|---|
| Period 0 | Introduction Week Problem-Based Learning (training for Non-UM Students*) (- credits) | | |
| Period 1 | Brain Damage (4 credits) | Behavioural Disorders (4 credits) | <i>Practical training:</i> Neuropsychological Assessment (2 credits) |
| Period 2 | Arousal and Attention (4 credits) | Ageing (4 credits) | <i>Practical training:</i> Basic Cognitive Psychological Skill (2 credits) |
| 28 weeks | Research option: Academic Skills & Research proposal (5 credits) Research Internship (25 credits)** and Master's Thesis (10 credits) (total 35 credits) OR: Clinical-research option: Research Proposal (2 credits) , Research Internship (12 credits)** and Master's Thesis (7 credits) (total 21 credits) + Clinical Internship (14 credits), Clinical Supervision (2 credits) and Clinical Activities Report (3 credits) (total 19 credits) | | |

* Students who did not obtain their bachelor diploma at Maastricht University will have to pass a PBL training (- credits) before they start the master's programme. This training will take place in the week before the start of the master's programme. Students who fail this training will be admitted conditionally and will have to pass the training within 4 weeks after the start of the master's programme.

** The assessment of the practical part of the research internship will be divided in a graded part of 10 credits, and an ungraded part with the remaining credits. The grade will be registered for the graded part of the internship and will be included in the GPA (grade point average). The ungraded part of the internship will be marked as pass/fail. If the grade of the internship is 6.0 or higher, the ungraded part of the internship will be marked as 'pass', if the grade is 5.5 or lower, it will be marked as 'fail'.

A more detailed description of the components of the programmes can be found in the web catalogue on www.maastrichtuniversity.nl

Article 3.7 The Master's Examination

The Master's examination consists of the following components:

1. The courses pertaining to the selected Master's specialisation;
2. The practical training with the accompanying tasks, whether or not pertaining to the courses as meant under 1;
3. The tutorial group meetings pertaining to the courses and practical training as meant under 1 and 2;
4. The Research Proposal;
5. The Research Internship;

6. The Master's Thesis;
7. When applicable: the Clinical Internship, the Clinical Activities Report, Clinical Supervision, Academic Skills, Professional Skills and Activity Report.

Section 4 Education

Article 4.1 Courses, composition, actual design

1. For the programme, courses/modules are given with the study load stated in article 3.6 of the education and examination regulations.
2. The educational programme includes 42 weeks per year.
3. The student can see the timetable for the courses for which he/she is registered via MY UM, as well as where and when exams will take place for the courses for which he/she is registered.

Article 4.2 Entrance requirements

1. Students who did not obtain their bachelor diploma at Maastricht University will have to pass a PBL training (- credits) before they start the master's programme. This training will take place in the week before the start of the master's programme. Students who fail this training will be admitted conditionally and will have to pass the training within 4 weeks after the start of the master's programme.
2. The Research Internship can only be started when at least 8 credits of the compulsory courses have been obtained of the modules offered in periods 1 and 2. In addition, certain Research Internships may require that practical or skills training(s) have been completed.
3. Regarding the start of a Clinical Internship, additional requirements can apply to students who did not obtain a Bachelor's degree in Psychology and/or a Bachelor's degree at Maastricht University.
4. If a student deviates from the sequencing as described under paragraph 1, 2 and 3, without permission from the Board of Examiners, the result of the part in question can be declared invalid.

Article 4.3 Course/Module registration

The student may participate in a course/module after he/she has timely registered for it through the student portal. Information and deadlines regarding registration of courses/modules and de-registration of courses/modules can be found on the student portal/AskPsy.

Section 5 Assessment

Article 5.1 General

1. During a course, the student will be tested for academic training and the extent to which the student has sufficiently achieved the stated learning objectives.
2. The course manual describes the requirements students have to fulfil to pass the course and the criteria on which the student is assessed.

3. The Rules of Procedure for Exams describe the exam procedure. The rules of Procedures for Exams can be found on the student portal/AskPsy.nl.

Article 5.2 Grades

1. Grades are awarded on a scale of 0.0 to 10.0;
2. Grades for course exams and assessments are the scores rounded off to the nearest whole or half number:
 - Decimals $< .25$ or $> = .75$ will be rounded off to the nearest whole number;
 - Decimals $> = .25$ but $< .75$ will be rounded off to the nearest half number.

A course exam or assessment is passed when a grade of 6.0 or higher is obtained.

Article 5.3 Periods and Frequency of Exams

1. Exams can be taken twice a year, one regular exam and one resit, at times determined by the Faculty Board: i.e. once during or immediately following the period in which the relevant course/module was offered (regular exam) and once during the academic year (resit). On the student portal/AskPsy.nl times are listed, on which the exams can be taken.
2. In special cases, the Board of Examiners can decide that an exam can be taken at a time different to that set in accordance with the previous paragraph.

Article 5.4 Exam Registration and Deregistration

The student may take an exam for a course/module after he/she has timely (been) registered for it through the student portal. Information and deadlines regarding registration of exams and resits and de-registration of exams and resits can be found on the student portal/AskPsy.nl.

Article 5.5 Form of Exams

1. As a rule, tests are in written form. This includes tests done on a computer. A written test can consist of open questions, an individual paper, an essay or a report. Part of an exam can also consist of a presentation. The Board of Examiners can in special circumstances allow another form of exam or weighing, in which case the Board of Examiners will establish the conditions under which this will take place.
2. A requirement for taking exams is compliance with the minimum requirements for attendance in group meetings as laid down in article 4 and 5 of the Rules and Regulations.
3. The Rules of Procedures for Exams describe how and under which conditions the written exams are taken.
4. The Board of Examiners has the authority to permit a different form of exam in special cases. The Board of Examiners shall notify the students about the different form of exam at least four weeks before the date on which the course/module starts.
5. Students with a functional disability may request permission from the Board of Examiners to take the exams in a manner that is, as far as possible, adapted to their individual disability. The Board of Examiners can ask for expert advice from the

academic advisor of the faculty and/or the student counselor of the Student Service Center before arriving at a decision.

6. In exceptional cases, the Board of Examiners may grant a student permission for an oral exam. For this purpose a written request must be submitted to the Board of Examiners. If the Board approves the request, the following conditions apply:
 - a. During an oral exam, only one person is tested, unless the Board of Examiners states otherwise;
 - b. An oral exam is administered by two examiners, unless the Board of Examiners states otherwise;
 - c. An oral exam takes place in public, unless the Board of Examiners or the concerning examiner state otherwise in exceptional circumstances or if the student has raised objections to this.

Article 5.6 Written papers and assignments

The Board of Examiners can draw up guidelines for papers or other forms of assessment. These guidelines will be included in the manual pertaining to the relevant part.

Article 5.7 Internship

Article 5.7.1 Research Internship

1. The Board of Examiners determines the requirements regarding the nature and content of a Research Internship in the internship regulations.
2. The Research Internship regulations are set out in **appendix 2** in the Rules and Regulations.
3. In order to ensure that the Research Internship proceeds smoothly, further guidelines have been drawn up which can be found in the manual on Research Internships. The manual can be downloaded from the student portal/AskPsy.
4. A student can do a Research Internship only once during his/her programme of study. During the Research Internship the student will be supervised by the Faculty.

Article 5.7.2 Clinical Internship (where applicable)

1. The Board of Examiners determines the criteria regarding the nature and content of the Clinical Internship in the internship regulations.
2. The Clinical Internship regulations are set out in **appendix 3** in the Rules and Regulations.
3. In order to ensure that the clinical internship proceeds smoothly, further guidelines have been drawn up, which can be found in the manual on Clinical Internships. The manual can be downloaded from The student portal/AskPsy.
4. A student can do a Clinical Internship only once during his/her programme of study. During the Clinical Internship the student will be supervised by the Faculty.

Article 5.8 Attendance in Tutorial Group Meetings

1. The Board of Examiners lays down the percentage for compulsory attendance in the tutorial group meetings in the Rules and Regulations, articles 4 and 5, and determines how the actual attendance of each student is registered.
2. If attendance has been met in a given academic year, this will be valid for the remainder of the study, even if the exam is not passed in that year.

Article 5.9 Determining and Publishing Results

1. The Board of Examiners determines the norms for the exam of each part of the examination.
2. The examiner determines the result of a written exam within 15 working days after the day on which the exam took place, and provides the education office with the information needed for publishing the result to the student.
3. When the result of a written exam is announced, it will be indicated on The student portal/AskPsy how and when the student can review the exam and file an appeal as referred to in article 6.4.
4. With respect to an exam that has been administered in a different way than in writing, the Board of Examiners determines the way and period in which the result will be announced.

Article 5.10 Exam Review

1. Within 10 working days of the date on which the result of a written exam, including a computer-based exam, is announced, students may review their exam.
2. Within the period referred to in paragraph 1, interested students are allowed to review their own exam results and may, upon request, inspect the questions and assignments for a written exam and, if possible, the standards based on which the exam was assessed.

Article 5.11 Proof of Having Passed Courses/Modules

Once a student has taken part in a sufficient number of tutorial group meetings and has successfully completed the exam and any associated practical training of the part, this will count as proof of having passed the relevant course. The proof will be obtained after an examiner has declared that the requirements for that part of the examination have been complied with. A condition for obtaining proof of having passed a part is that the student has complied with the admission requirements for the relevant part of the examination. The Board of Examiners can revoke the decision of the examiner if the admission requirements have not been complied with.

Article 5.12 Period of Validity

1. As a rule, the period of validity of examination components is unlimited. Contrary to the above, the Board of Examiners may require the student to take an additional or replacement exam or exam component for an exam which

was passed more than six years ago if the student's knowledge or insight that was examined is demonstrably outdated or the skills that were examined are demonstrably outdated.

2. If exceptional circumstances apply as referred to in Article 7.51 paragraph two of the Act, the period of six years in paragraph one will be extended by the duration of the financial support the student receives from the profiling fund.
3. Sub-exams and assignments which were passed within a course/module which was not passed can lose validity after the academic year in which they were passed unless the Board of Examiners states otherwise.

Article 5.13 Retention Period of Exams

1. Assignments, results and assessments of written exams will be saved 2 years after the exam results have been determined.
2. Theses and the assessment of theses will be saved at least 7 years after the thesis has been assessed.
3. The diploma and the list of examination components will be saved 30 years.

Article 5.14 Exemptions

1. The Board of Examiners can, at the request of a student, and having heard the relevant examiner(s), grant the student exemption from taking an exam or other assessment, if the student provides satisfactory written proof that he/she:
 - a. has already successfully completed a similar part at a university that is equivalent in content and level;
 - b. possesses sufficient knowledge and skill in relation to the relevant exam by way of work, or professional experience.
2. The same period of validity applies to exemptions as to examination results (see article 5.12).
3. The following restrictions regarding exemptions apply:
 - a. In the Master's programme, a maximum of 10 credits may be exempted. Only theoretical parts of the programme (see article 3.6) may be exempted.
 - b. The Board of Examiners will not grant any exemption based on exams passed by a student outside the programme during the period in which the student was barred from taking exams for the programme by the Board of Examiners because of fraud.

Article 5.15 Grade Point Average (GPA)

1. A weighted average score (GPA) is calculated for all parts of the exam that are assessed on a ten-point scale. Scores will be weighted according to the number of course credits (see also article 3.6).
2. On a provisional transcript, the GPA can also include an insufficient grade.
3. On a provisional transcript, an exam that has not been taken will not be included in the GPA. In that case the number of credits obtained will be reported in relation to the number of credits that could have been obtained in the form of a progress rate.

Article 5.16 Fraud

1. Fraud, including plagiarism, is understood as a student's act or failure to act that makes it partially or fully impossible to correctly assess his/her knowledge, insight and skills.
2. Plagiarism is understood as the presentation of one's own or other people's ideas or words without adequate reference to the source.
3. If the Board of Examiners establishes that a student has committed fraud in an exam or exam component, it may impose suitable measures.
4. In serious cases of fraud, the Board of Examiners can propose to UM's Executive Board that the student(s) concerned be permanently deregistered from the programme.
5. The Rules and Regulations further detail what is understood as fraud and what measures can be imposed by the Board of Examiners.

Article 5.17 Invalid exam

If an exam involves irregularities that make it impossible to accurately assess the student's knowledge, insight and/or skills, the Board of Examiners may declare the exam invalid for both the student and a group of students.

Article 5.18 Unsuitability (Judicium Abeundi)

1. In exceptional circumstances and after carefully weighing the interests at stake, the Board of Examiners and the Dean/Faculty Board may request the Executive Board to terminate or deny a student's registration for a programme if, through his/her conduct or statements, the student shows that he/she is unsuitable to practice one or more professions for which the programme he/she is enrolled in, is training him/her for, or is unsuitable for the practical preparation for the profession. The Dean/Faculty Board, the Board of Examiners and the Executive Board will reach a decision in accordance with the Judicium Abeundi Protocol adopted by the Dutch Federation of University Medical Centres on 1 November 2010.
2. The relevant clauses of Maastricht University's Enrolment Provisions apply.

Section 6 Examination**Article 6.1 Examination**

1. The Board of Examiners determines the result of the examination and grants the diploma as meant in art. 6.3 as soon as the student has fulfilled all the requirements of the examination programme.
2. Before determining the result of the examination, the Board of Examiners can decide to examine the student's knowledge with respect to one or more parts of the study programme, should the results of the relevant exam give reason for this.
3. To pass the examination, the student must have passed all components as defined in art. 3.7 of the education and examination regulations or an exemption has been granted.

4. To pass the examination and receive the certificate, the student must also have been registered for the programme during the period that the exams were taken, the student was supervised or work of the student was assessed.
5. A certificate may only be issued after it has been shown that the student has satisfied all the obligations, including paying the tuition fees.
6. The last day of the month in which the student fulfilled all the examination requirements will be considered the examination date (graduation date).
7. Students who have passed the examination and who are entitled to the issuance of a certificate may, stating reasons, ask the Board of Examiners not to do this yet. This request must be submitted at least one month before the final assignment is turned in or the final exam is taken. The Board of Examiners in any event grants the request if the student has held/will hold a board position for which financial support from the "Profileringsfonds" was/will be granted for at least nine months or a Student Introduction Committee ('INKOM') board position.

Article 6.2 Degree

He/she who has passed the examination successfully will be awarded the degree of "Master of Science" and will receive the diploma belonging to the Master's examination as proof of this.

Article 6.3 Diploma and statements

1. As proof that the assessment was successfully completed, the Board of Examiners issues a diploma, after it has been stated by or on behalf of UM's Executive Board that the procedural requirements for receiving the diploma have been met. The diploma is based on the model that UM's Executive Board has adopted. Even though the Master's programme consists of different Master specializations, only one diploma will be issued for the Master's programme.
2. The diploma issued as a result of having passed the examination successfully will contain:
 - a. the name of the institution;
 - b. the name of the study programme;
 - c. the degree awarded;
 - d. the date on which the programme was most recently accredited or was subjected to the new programme test.
3. Students who are entitled to a diploma may, stating reasons, ask the Board of Examiners not to issue this yet.
4. The diploma will be signed by the Chair of the Board of Examiners and the Dean of the Faculty.
5. The diploma is awarded in public, unless the Board of Examiners decides otherwise, in special cases.
6. The certificate includes a list of the examination components;
7. An English diploma supplement will be issued with the diploma as referred to in article 7.11 paragraph 4 of the Act. This diploma supplement is based on the model adopted by UM's Executive Board, and is in compliance with the agreed European standard format.

8. The Board of Examiners can award the diploma with the qualifications of ‘Cum Laude’ or ‘Summa Cum Laude’ in accordance with the Rules and Regulations for the Master’s Examination.
9. Students who have passed more than one exam and who cannot be issued a certificate will upon request, receive a statement issued by the Board of Examiners, which at least indicates the exams that they passed.

Article 6.4 Right of appeal

Within 6 weeks after a decision has been announced by an examiner or the Board of Examiners a person concerned can file an appeal against this decision with the Complaint Service Point of the UM. The appeal needs to be signed and dated and needs to bear the name and address of the petitioner, as well as the grounds for appeal and, if possible, a copy of the decision against which the appeal is lodged.

Section 7 Study Guidance

Article 7.1 Study Progress Administration

1. The Faculty registers the individual study results of the students in such a way that they can be consulted by the students via the student portal.
2. To each student, the Faculty points out at least once a year (preferably in May) to check his/her overview of the study results obtained by him/her.

Article 7.2 Study Guidance

The Faculty sees to the introduction and study advice and guidance of the students who have been enrolled in the study programme.

Section 8 Transitional and Concluding Conditions

Article 8.1 Amendments

1. Amendments in these regulations will be determined by special decision of the Faculty Board following a recommendation of the study programme commission and after permission is obtained from or after consultation with the Faculty Council.
2. An amendment in these regulations does not apply to the current academic year, unless the interests of the students are not adversely affected by it.
3. Furthermore, an amendment cannot be to the detriment of students by affecting any other decision that has been taken by the Board of Examiners on the basis of the original regulations.

Article 8.2 Publication

1. The Faculty Board sees to the proper publication of this regulation, of the Rules and Regulations that have been determined by the Board of Examiners, and also of any changes in these, by, for example, placing a notice on the Faculty website/ the student portal/AskPsy.

2. Interested persons can obtain a copy of the documents referred to in paragraph 1 from the education office.

Article 8.3 Evaluation

The Faculty Board will ensure that the education of the programme is regularly evaluated, assessing at least – for the purpose of monitoring and if necessary adapting the student workload – the amount of time students need to complete their duties as set out therein.

Article 8.4 Unforeseen Cases/Hardship Clause

1. The Board of Examiners decides in cases which have not been foreseen by these regulations.
2. The Board of Examiners has the right to deviate from these regulations in individual cases, if a strict adherence will, in its opinion, result in an unfair outcome for the individual, in view of the special circumstances.

Article 8.5 Date of coming into effect

These regulations will come into force on 1 September 2017 and will be effective for the 2017-2018 academic year.

Adopted by the faculty Board on 11 May 2017.

2. Rules and Regulations for the examination of the study programme of the Master in Psychology

Article 1 Scope of the rules and regulations

1. These rules and regulations apply to the education, exams and examination for the Master's study programme in Psychology of the Faculty of Psychology and Neuroscience.
2. The rules and regulations apply to all students who are registered for the study programme.
3. Contrary to what is stated in 1 and 2 of this article, the regulations as mentioned in the Education and Examination Regulations that applied to a student at the start of the study programme, will be applicable to that student.
4. The rules and regulations are each year adjusted and enacted by the Board of Examiners.

Article 2 Board of Examiners

The Board of Examiners sees to the execution of the Regulation for the Master's Examination and its parts, taking into account the Act and the education and examination regulations concerning the organisation and scope of the examinations of the psychology study programme of the Faculty of Psychology and Neuroscience. The Board of Examiners will designate examiners to conduct the interim examinations. In particular cases the Board of Examiners can annul decisions taken by the examiners, when, e.g., a student has not complied with the admission requirements for a part of the examination which he/she has taken.

Article 3 Examiners

1. Academic staff who are appointed coordinator of a teaching component/course/module, also have, as the responsible examiner, final responsibility for the examination of that teaching component/course/module.
2. Academic staff who are teaching in a teaching component/course/module, are authorised to act as executive examiner/assessor, meaning that they can, under the final responsibility of the course coordinator, construct, correct and assess exam questions, correct and assess papers and assignments, and assess presentations.
3. The Board of Examiners can appoint other members of the academic staff and experts from outside the programmes as executive or responsible examiner.
4. Experts from outside the Faculty cannot act as (executive) assessor unless the Board of Examiners has approved a reasoned request by the relevant director of studies.
5. The Board of Examiners can revoke the appointment as examiner if the examiner does not act in accordance with the law and regulations or guidelines of the Board of Examiners, or if the examiner has repeatedly shown a lack of competence in the area of examining (constructing, administering, assessing).

6. At least one of the two examiners of a research internship and master's thesis must have a PhD degree and be a member of the Faculty's academic staff. The internship coordinator is the person responsible for ensuring these requirements are met.

Article 4 Proof of Having Passed a Course/Module

1. Courses

A student can have a course registered as having been passed if the following requirements have been met:

- a. A minimum of 70% attendance at the tutorial group meetings. A student who arrives more than 10 minutes after the official starting time of the meeting shall be considered not to have attended. As regards the admissibility to the course examination, a student must have attended a minimum of 70% of the tutorial group meetings in order to be allowed to sit for the course examination.
- b. A satisfactory assessment and attendance for those practical training sessions which are part of the course (practical training without credits). There is an attendance of 100% of the practical sessions. A student who arrives more than 10 minutes after the official starting time of the meeting shall be considered not to have attended. If a student has not complied with the attendance obligation but has not missed more than one meeting, he/she will be able to apply for a compensatory assignment;
- c. At least sufficient grades for the final course exam. A course exam is passed when a grade of 6.0 or higher has been obtained.

2. Practical training (with credits)

A student can have a practical training (with credits) registered as having been passed if the following requirements have been met:

- a. Attendance of 100% of the practical sessions. A student who arrives more than 10 minutes after the official starting time of the meeting shall be considered not to have attended. If a student has not complied with the attendance obligation but has not missed more than one meeting, he/she will be able to apply for a compensatory assignment;
- b. Timely and satisfactory completion of the required assignments. This requires at least sufficient grades for the final assessment. A practical training is passed when a grade of 6.0 or higher has been obtained.

Article 5 Attendance Obligation

1. There is a 100 % attendance obligation in the case of the practical training sessions. It may happen that for certain courses no distinction is made between tutorial group meetings and practical training sessions. In this case there will be a minimum of 9 and a maximum of 18 meetings for those courses and there will be an attendance obligation of 70%.
2. There will be an attendance obligation of at least 70% with respect to the tutorial group meetings in each course:
 - on a total of 18 meetings: at least 13 meetings;

- on a total of 16 or 17 meetings: at least 12 meetings;
 - on a total of 15 meetings: at least 11 meetings;
 - on a total of 13 or 14 meetings: at least 10 meetings;
 - on a total of 12 meetings: at least 9 meetings;
 - on a total of 11 meetings: at least 8 meetings;
 - on a total of 9 or 10 meetings: at least 7 meetings;
 - on a total of 8 meetings: at least 6 meetings;
 - on a total of 6 or 7 meetings: at least 5 meetings;
 - on a total of 5 meetings: at least 4 meetings;
 - in the case of 4 or fewer meetings there is an attendance obligation of 100%.
3. The attendance in the tutorial group meetings and the practical training sessions will be registered on a form for each tutorial group.
 4. If a student has not complied with the attendance obligation, the relevant course will not be registered as having been passed.
 5. If attendance has been met in a given academic year, this will be valid for the remainder of the study, even if the exam is not passed in that year.

Article 6 Cum Laude and Summa Cum Laude Pass

1. The pass 'Cum Laude' is attached to the Master's examination if each of the following requirements has been met:
 - A weighted grade point average (GPA) of at least 8.00 for all parts of the examination. Grades will be weighted according to the number of course credits (see also article 3.6.);
 - A weighted average of at least 8.00 for the courses offered in period 1 and 2;
 - Furthermore, no part of the examination may have been passed in a resit;
 - Master's Thesis: a grade of at least 8.0;
 - If applicable: Clinical Activities Report of at least 8.0.
 - All courses/modules offered in period 1 and 2 need to be passed within the academic year the student started the Master's programme.

Cum Laude will not be awarded if more than 5 credits are exempted.

2. The pass 'Summa Cum Laude' is attached to the master's examination, if each of the following requirements has been met:
 - A weighted grade point average (GPA) of at least 9.00 for all parts of the examination. Grades will be weighted according to the number of course credits (see also article 3.6.);
 - A weighted average of at least 9.00 for the courses offered in period 1 and 2;
 - Furthermore, no part of the examination may have been passed in a resit;
 - Master's Thesis: a grade of at least 9.0;
 - If applicable: Clinical Activities Report of at least 9.0.
 - All courses/modules offered in period 1 and 2 need to be passed within the academic year the student started the Master's programme.

Summa Cum Laude will not be awarded if more than 5 credits are exempted.

Article 7 Exemptions

1. Request for exemption from taking an exam or undergoing another part of the examination on the strength of what has been determined by the Act will be submitted to the Board of Examiners. Written proof must be submitted to support the request.
2. The Board of Examiners makes a substantiated decision within four weeks after having received the request. The Board of Examiners is entitled to extend this period of four weeks by an additional period of four weeks. The student will be informed of the Board of Examiners' decision in writing.
3. A request for exemption will only be considered if it has been submitted by a student who is enrolled at FPN and who has fulfilled his/her financial requirements.

Article 8 Reassessments/Resits

The following resit/reassessment arrangements apply to students who in the first instance have not passed a course/module of the master's examination.

1. Course exam

The student who fails a course exam will get one chance to resit that exam per academic year. If a student passes the initial exam he/she cannot resit the exam. In the case of a resit the highest mark counts.

2. Practical Training

If the assessment of a practical consists of a paper, the paper can be rewritten only when it has been turned in before the deadline and a serious attempt has been made, but has failed.

3. Papers

There will be one chance per part to redo papers (including the research proposal and master's thesis) per academic year. This will consist of rewriting the relevant paper. A paper can be rewritten only when it has been turned in before the deadline and a serious attempt has been made, but has failed.

Article 9 Extra exam or other form of exam

In special cases the Board of Examiners may decide to grant a student a different form of exam and/or an extra exam opportunity in addition to the regular exam and resit. This decision will only be taken if it is based on exceptional demonstrable personal circumstances of a student, which would cause disproportionate study delay. Special personal circumstances that can be considered are:

- a. illness of the student in question;
- b. physical, perceptual or any other dysfunction of the student in question;
- c. pregnancy of the student in question;
- d. special family circumstances;
- e. administrative activities as referred to in Art. 2.1 paragraph 1 under e, f and g of the Act.

Article 10 Fraud, including Plagiarism and fabricating and/or falsifying survey or interview answers or research data

1. The Board of Examiners may impose one of the disciplinary measures set down in paragraph 5 of this article if it establishes that a student, in any exam or exam component:
 - a. has had any unauthorised aids/devices, texts or notes at his or her disposal, or has used unauthorised electronic aids and/or (communication) devices as mentioned in the Rules of Procedures for Exams;
 - b. has communicated or tried to communicate with another student, either verbally or through gesture, without permission from an invigilator, examiner, or Board of Examiners member;
 - c. has copied or attempted to copy from another student, or has provided the opportunity to copy;
 - d. has posed as someone else or let someone else pose as him/her;
 - e. has deliberately misled, or at least attempted to mislead or provided the opportunity to mislead an invigilator, an examiner, a corrector or the Board of Examiners with respect to the exam.
2. The Board of Examiners may impose one of the disciplinary measures set down in paragraph 5 of this article if it establishes that a student has committed plagiarism in any exam, part or component, including:
 - a. using or copying his/her personal or other people's texts, data, ideas or thoughts without adequate reference to the source;
 - b. presenting the structure or central body of thought from others without adequate reference to the source and thus passing it off as his/her own;
 - c. not clearly indicating in the text, for example via quotation marks or a certain layout, that verbatim or nearly verbatim quotes have been used;
 - d. paraphrasing the content of his/her own or other people's texts without adequate reference to the source;
 - e. copying video, audio or exam material, software and programme codes from others without adequate reference to the source and thus passing them off as his/her own;
 - f. copying work from other students and thus passing it off as his/her own;
 - g. submitting work or assignments acquired from or written by a third party (whether or not for payment) and thus passing them off as his/her own.
3. The Board of Examiners may impose one of the disciplinary measures set down in paragraph 5 of this article if it establishes that a student has fabricated and/or falsified survey or interview answers or research data.
4. In case of fraud / plagiarism in group assignments, all students in the group are in principle responsible for fraud / plagiarism unless it is clear that only one student has committed fraud. In that case only the student in question will be penalized.
5. If the Board of Examiners establishes that a student has committed fraud in any way in any exam or exam component, it can impose a measure set down in paragraph 6.

6. In the cases referred to in paragraphs 1, 2, 3, 4 and 5, the Board of Examiners can declare the results of the relevant exam or part in question invalid, as well as impose the following disciplinary measures:
 - a reprimand;
 - exclusion from participation or further participation in one or more exams in the programme for a period of at most one year.
7. In serious cases of fraud, the Board of Examiners can propose to UM's Executive Board that the student(s) concerned be permanently deregistered from the programme.
8. Before the Board of Examiners imposes an appropriate disciplinary measure, or makes a proposal to the Executive Board, the student in question is given the opportunity to be heard.
9. If fraud is established, this is included in the student's dossier.
10. If, after investigation, it is ultimately determined that the student concerned did not commit fraud, the names will be removed from the correspondence about the alleged fraud and the correspondence will not be included in the student's dossier.
11. The Board of Examiners does not grant exemptions on the grounds of study results obtained elsewhere while the student was excluded from participating in the programme's exams because fraud was committed.

Article 11 Implementation and Date of Coming into Effect

1. The Board of Examiners will decide in all cases that have not been foreseen by the Rules and Regulations.
2. These Rules and Regulations take effect in the academic year 2017-2018.

Thus enacted by the Psychology Board of Examiners at its meeting of 20 April 2017.

3. Appendices with Rules and Regulations for the examination of the study programme of the Master in Psychology

Appendix 1 Language requirement with non-Dutch diplomas

Persons holding one of the following diplomas are exempted from the language proficiency test (English) referred to in article 2.3:

- a diploma issued in a country in which English is the official language of communication and instruction (Australia, Canada, Ireland, New Zealand, United Kingdom or United States).
- an International Baccalaureate Diploma or European Baccalaureate Diploma (taught in English);
- a diploma of a Bachelor's programme taught entirely in English at a University in the EU/EEA;
- a diploma of a Bachelor's programme issued at a University in the Netherlands

Appendix 2 Regulations for the Research Proposal, Research Internship and Master's Thesis

Article 1 Research Proposal

1. A research proposal is an independently written proposal concerning research which the student intends to perform during his/her research internship.
2. The research proposal consists of the following parts:
 - a brief theoretical background of the research;
 - the question posed by the research;
 - a description of the research plan;
 - a description of the research methods which will be applied;
 - a description of the techniques which will be used for processing and analysing the data;
 - a timetable.
3. The guideline for the length of the research proposal is 1600 to 2800 words.
4. The assessment is done by two examiners. They are: a. two staff members from the Faculty if the research internship is done internally (supervisor from the Faculty and a second assessor), or b. the external supervisor and the supervisor from the Faculty in the case that the apprenticeship is done outside the Faculty.
5. If the research proposal is judged to be unsatisfactory, the regulation about resits/ reassessments for papers, article 8, paragraph 3, Rules and Regulations for the master's study programme, applies.
6. The research proposal must be submitted within 6 weeks of commencing the research internship.
7. The research proposal will be assessed as pass/fail.
8. For the number of credits of an approved Research Proposal, see article 3.6.
9. Before the student can commence research activities, formal permission for the study must have been obtained from the appropriate Ethics Commission/ Institutional Review Board.

Article 2 Research Internship

1. A student has to do a research internship at the conclusion of his/her study programme.
2. The purpose of the internship is an orientation into the research field of psychologists.
3. During the internship, the student conducts a scientific research project.
4. The student notifies the education office about the Internship at least one month before the start of the internship by means of a research internship notification form. The Board of Examiners checks whether the student has complied with the requirements in article 4.2 of the examination regulations. In addition, certain internships may require that practical or skills training(s) have been completed.

If at least 8 credits of the compulsory courses have been obtained of the modules offered in periods 1 and 2, the research internship can be started at the earliest at the start of Period 3. In all other cases the internship can only start after period 3 at the first of the month after which the above mentioned credits have been obtained.

5. An internship agreement is drawn up for the internship in which a number of arrangements are set out between the institution where the internship takes place, the supervisor from the Faculty and the student. A copy of this agreement is sent to the education office at least one month before the internship starts.
6. The student will be supervised during the internship by a supervisor from the Faculty and/or a supervisor from the institution where the internship takes place (internship supervisor). The task of the supervisor from the Faculty and/or the internship supervisor consists in advising the student on matters of content with respect to the internship activities and the reporting of these in a master's thesis. In addition the supervisor from the Faculty is the contact person with the Institution where the internship takes place.
7. The internship is registered as having been completed successfully by the internship supervisor or the supervisor from the Faculty on an assessment form, which is sent to the education office.
8. The final grade for the practical part of the research internship needs to be at least 6.o.
9. For the number of credits of a satisfactory completion of the internship see article 3.6.

Article 3 Master's Thesis

1. A Master's thesis is an independently written report on the research that has been conducted during the internship.
2. The Master's thesis is an individually written paper.
3. The Master's thesis is assessed on several criteria. The final grade for the thesis, based on these criteria, needs to be at least 6.o.
4. The student needs to send the final version of the Master's thesis to an e-mail address that is published on the student portal/AskPsy. The student needs to

send this final version of the Master's thesis also to the internship supervisor/ supervisor from the Faculty and to the supervisor from the Faculty/second assessor. Assessment forms have to be filled in and signed by both supervisors, and have to be send back to the education office within 20 working days. The education office keeps the electronic version of the Master's thesis for filing.

5. If the Master's thesis is awarded insufficient grades, the Regulation for Resits/ Reassessments of Papers, article 8, paragraph 3 of the Rules and Regulations for the Master's study programme apply.
6. The Master's thesis is graded by averaging the scores given by the first and the second assessor. Both grades must be at least 6.0 and the difference between the grades may not be more than 2 grades.
7. For the number of credits of a satisfactory assessment of the Master's thesis see article 3.6.

Appendix 3 Regulations for the Clinical Internship and Clinical Activities Report

Article 1 Clinical Internship

1. A complete clinical internship consists of 13 weeks or the equivalent of 520 hours (consisting of minimally 200 hours diagnostics as part of the partial fulfilment for the Psychodiagnosics registration) of clinical work (including clinical activities report and clinical supervision).
2. The purpose of the clinical internship is an orientation in the clinical field of neuropsychology.
3. During the internship the student conducts clinical psychological tasks.
4. The student notifies the education office about the internship at least one month before the start of the internship by means of a clinical internship notification form. The Board of Examiners checks whether the student has complied with the requirements in article 4.2 of the examination regulations. If at least 8 credits of the compulsory courses have been obtained of the modules offered in periods 1 and 2, the internship can be started at the earliest at the start of Period 4. In all other cases the internship can only start after period 4 at the first of the month after which the above mentioned credits have been obtained.
5. An internship agreement is drawn up for the internship in which a number of arrangements are set out between the institution where the internship takes place, the clinical internship coordinator from the Faculty and the student. A copy of this agreement is sent to the education office at least one month before the internship starts.
6. The student will be supervised during the internship by a supervisor from the Faculty and a supervisor from the institution where the internship takes place (internship supervisor). The task of the internship supervisor from the institution is to guide and monitor the student's clinical activities.

7. The internship is registered as having been completed successfully when the clinical internship coordinator has approved the student's clinical activities report (including the 3 case reports), has received a satisfactory assessment of the internship performance from the supervisor at the institution where the internship took place, and has sent the relevant assessment form to the education office.
8. For the number of credits of a satisfactory completion of the internship see article 3.6.

Article 2 Clinical activities report

1. A clinical activities report is an independently written report on the clinical work that has been conducted during the internship.
2. The clinical activities report is an individually written paper.
3. The clinical activities report is assessed on the following aspects: Overview Dutch Mental Health Services (incl. internship activities), Regulations of the Dutch health care system (incl. Ethics for psychologists), SWOT analyses, and 3 Case reports. The final grade for the report, based on the abovementioned aspects, needs to be at least 6.o.
4. The student needs to send the final version of the clinical activities report to an e-mail address that is published on the student portal. The student needs to send this final version of the clinical activities report also to the internship supervisor/ supervisor from the Faculty. Assessment forms have to be filled in and signed by the supervisor, and have to be sent back to the education office within 20 working days. The education office keeps the electronic version of the clinical activities report for filing.
5. The clinical activities report is graded by the Faculty supervisor.
6. If the clinical activities report is awarded insufficient grades, the Regulation for Resits/Reassessments of Papers, article 8, paragraph 3 of the Rules and Regulations for the master's study programme apply.
7. For the number of credits assigned to a satisfactory assessment of the clinical activities report, see article 3.6.
