*\*Students from Erasmus Rotterdam receive an exemption for PBL training*

*\*\*PSY4311: This introduction course is required for students with a psychological background. The parallel course PSY4312 is required for students with a biological background. Thus, students enroll in either PSY4311 or PSY4312. The course coordinators of both courses evaluate which of the two courses a student is required to take.*

Period	Research Master in Drug Development and Neurohealth (DN) Year 2 (2019-2020)
