

From Student to Alumni!

Congratulations on earning your master's diploma in Psychology. A milestone to be proud of. From now on you are officially not a student anymore, but an alumni. Unless of course you plan on continuing to study.

We of Maastricht University (UM) and the Faculty of Psychology and Neuroscience (FPN) are very proud of you as alumni, and are always interested what working environment you find yourself in. That is why we would like to stay in touch even after your programme. A lifelong bond is our purpose!

A lifelong bond, but what's in it for me?

You might be wondering what there is to gain by staying connected with your old trusted UM and FPN. Well then, allow us to summarise the advantages:

- You can get alumni discount on subsidiaries;
- You can share in scholarship or fund opportunities after your programme;
- We will exchange latest developments in the field of education and research;
- You can use exclusive services from Career Services (until 6 month after graduating);
- You can participate in fun activities organised by the UM and FPN. That way you get the chance to meet your former

fellow students again and to exchange knowledge in a social atmosphere;

- You will also receive your trusted faculty magazine Onder Uns!

We stay in touch....How?

We have thought about this, and to stay connected, we have set up the means to make this possible.

Lifelong alumni email account

We will convert your student email account into a lifelong alumni email account within two months of graduation. It will look like this: your.name@alumni.maastrichtuniversity.nl. You login details will remain the same.

Keep your contact details

up to date!

Onder Uns

If you've left the UM after your bachelor, you won't be able to grab your trusted faculty magazine Onder Uns from the displays. That is why we send the magazine by mail. Are you

That special moment when you received your master's diploma has been captured in a great photo. You can download it after the presentation by visiting www.maastrichtuniversity.nl/fpn/alumni.
